Good Afternoon,

Following the UK Governments advice to contain the spread of Covid-19, Eberspächer (UK) Ltd will be scaling back operations to support only the UK critical infrastructure. As a result we will be reducing staffing levels and devoting all remaining labour to the provision of materials for this purpose.

Please note that EBUK goods receiving will only be receiving items expressly requested by EBUK purchasing. Therefore please do not dispatch items against purchase orders sent prior to 25-03-2020 without prior approval; this restriction will remain in place until further notice.

We will be contacting you shortly to advise our critical requirements and would ask that, if at all possible, you can confirm what you are able supply by immediate return.

Thank you for your understanding. If you have any further questions please do not hesitate to contact us.

Best Regards,

Dave Trevelion
Purchasing Manager

Nigel Parker
Operations Director
